This guy is getting a little too comfortable with me
But what the heck, I am on holiday. Might as well enjoy myself
Wow, her boobs are so soft. I bet her nipples must have become rock hard in this cold.
Oh man, I've got my hands almost completely on her boobs. This is giving me such a hardon
I have to feel her nipples, will never get such a chance again

I have found out that Jwala is in the jungle camp
We need to get there somehow
Ok, I will make sure we get moved over there
But once we are there it is all up to you
That night Savita is blindfolded and bundled into a jeep. When the blindfold is opened, she finds herself in a cloth tent in the middle of the jungle.
Let me go out and check
Roam around woman. But do not try to escape
You will never be able to get out of this jungle alive
WWW.KIRTU.COM

I have managed to contact the special task force. They are outside the camp
But Jwala is heavily guarded, and we do not want to take a risk of him escaping during a gun battle
So you somehow need to get him away from his guards and outside the camp
I saw Jwala at a clearing on that side
You should go there
Oh my god, that's the dreaded gangster Jwala!
Are you Jwala Gadar?
Hey you, stay away
WWW.KIKTU.COM

It's been so long I've seen a woman
And that too such a hot one!
Let her go
Yes, I am the famous dacoit Jwala Gadar
Police of three states are after me, but will never be able to capture me!
Don't you feel lonely here? Without any women at all.
He really has a great opinion of himself. Better get him captured fast, it's time to use my WMD*
*WMD - Weapon of Male Destruction

I am way too busy for all that!
Hmmm, looks like he's thinking about it now at least!
Hmm, such strong shoulders and arms. I'm sure you are well endowed in other areas too
Of course, I am the strongest and bravest dacoit in India
Yes of course, but thats not what I meant
WWW.KIRTU.COM

You know, I've always wanted to be with a big strong man like you
Especially one so famous
What do you mean?
I think you know exactly what I mean
This woman is driving me crazy, its like she has some secret power
But I cannot do anything here in the camp, not in front of my men!
I know this is most unusual, but I am really turned on right now... and looking at the size of that thing poking out from your trousers, I think you are too
I... umm

OH! This man is like a raw sexual animal
I guess that's what living in the jungle for so many years does to you

Owww.. that hurts!
At the rate he is going, soon I will not have any clothes left
Yaaa.. delicious
WWW.KIRTU.COM

Now what?!

I better do what he says. I hope those police get here soon
Yess. Ahhhh

to make him last longer
and keep him here
